

RITE NOW @ ROP

On December 1, Hope Forest Academy hosted Oak Grove Academy for an afternoon of football, food and fellowship as part of Rite of Passage's Palm Tree Playoffs. The competition brought together two rookie teams whose enthusiasm made up for their lack of experience.

Both teams spent the first quarter working out their game plans and learning to work together, with Hope Forest Academy taking the early lead. By half time the teams were tied and after a highly competitive final quarter, Oak Grove Academy emerged the winner and took home bragging rights. All participants are to be commended for their display of RAMS behavior by exhibiting Respect, positive Attitude, Motivation and Spirit.

The Palm Tree Playoffs is an ongoing series of competitions among Rite of Passage's Florida programs that promotes healthy living, prosocial interaction and teamwork.
